Sir:

The oral hearing is scheduled to take place on November 12, 1997 at 9:00 a.m. However, the undersigned will be coming from New York for the hearing, so it is possible that a flight delay might result in arrival at the Patent Office after 9:00 a.m.

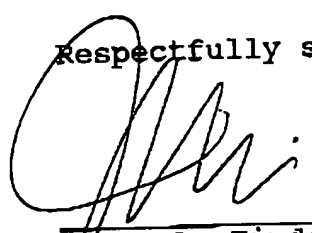

In order to avoid this possibility, it would be appreciated if this case could be placed 4th or 5th on the morning's schedule of hearings.

An early reply to this request would be appreciated.
